She currently serves as Vice-Dean for Scientific Research and International Cooperation and is a member of the Senate of the University of Zenica. In addition, she is engaged as an External Associate Lecturer/Professor at the Faculty of Law, University of Sarajevo (academic year 2025/2026). Her academic work is grounded in civil procedural law, with particular emphasis on appellate and extraordinary legal remedies, the efficiency and quality of justice, and contemporary procedural challenges, including evidence and access to information. She obtained her PhD in 2019 at the Faculty of Law, University of Zenica, with a dissertation on *Revision in Civil Procedure*. Her research and teaching also cover intellectual property law, which is reflected in her publications and conference contributions.

Alongside academia, she has extensive professional engagement in judicial reform and capacity-building. She is an educator with the Centre for Education of Judges and Prosecutors of the Federation of Bosnia and Herzegovina and has contributed to expert work related to civil procedure reform and the improvement of appellate proceedings. Her project experience includes roles within Council of Europe actions, external evaluations in the justice sector, and expert/analytical work addressing women's access to justice and the legal response to violence against women, including its digital dimension. She has longstanding involvement in civil society, including the Women's Rights Center, where she currently serves as President of the Assembly, and she also contributes to initiatives in the fields of gender equality and environmental protection through her professional and advisory roles.
